

MIND CHAINS

Where did they come from?
The chains that hold us back,
Bound by barriers,
Waiting for them to crack

There was longing,
A hope for something new,
A wisp of a chance,
That went as the wind blew

The world has now gone dark,
Colour and life drained,
Why are we part of this
Captive and restrained

Stuck inside a mindless loop,
Controlled by one you know well,
Your mind forced against its will,
Putting you under a spell

It builds and builds,
The tension, the sound,
The beating of your heart,
The fear all around

There was always chance
That became slim as the expectation grew

You

Lost control of your mind
Lost sight of what you knew,

True

The feelings that are coming now
are shades of grey and blue,

New

They let your mind soar,
They watched as your ideas

Flew

Now it's time to escape
Free yourselves from your dark cage,
Feel the sun on your face
It's down to you,
It's up to you

Fight the ghosts of the past,

Feel the memories flood back
Remember it all
Don't push them away

Let them remind you,
Let the tears flow down your face,
Let the cage that holds you break,
Explode

Drift off,
Dream away,
Be at peace,
With yourself

Imagine another world,
So close it feels like destiny
Haven't you ever wondered
What it would be like to be...
