

U13A Team – National Schools Lacrosse Tournament

By Mrs Smith (PE Teacher)

The U13 squad headed to their first Nationals experience on Tuesday 10th March.

The platts were perfect, the camaraderie on point and they were ready to show what they were made of.

You couldn't mistake their determination with their first match nerves and Adrenalin seeing them to a 9-0 win over Heathfield. We built on that performance, match after match.

2-2 draw with St George's

3-1 win over St Paul's Girls

4-1 win over Wycombe Abbey

4-2 win over Benenden

The last 16 saw a 1-0 win against Haberdashers'.

We met Putney in the Quarter finals and just didn't have enough left to go the distance. We bowed out having lost 1-4 but having been winners just for having had the most amazing experience.

The girls received this message from their Captain, Coco, and she perfectly sums up the legends that are the U13 Lacrosse players: "Well done guys. I am so proud of you and so honoured that I had the chance to be your captain for the day. Well done to Daisy as well. She was an excellent vice captain.

We may not have won in the tournament but we definitely won against the best spirited team. Every single one of us did our jobs today and we did them extremely well. We are a team and today, we showed how good we are!”

Finishing top 8 in the country is just the beginning for these girls!
